Luxor Presents...

*The new standard in Thermofoil doors
from Thermovision...*

***B**By opting for the new standard in thermofoil doors, you will be able to personalize a unique kitchen to fit your every need. There are no limits to your dreams and ability to fulfill them. With matching moldings, laminates and melamines you will be able to create the most beautiful woodgrain kitchens.*

Woodgrains in oak, cherry, maple and knotty pine combined with the vast array of available accessories, thermofoil offers a very competitive alternative to other kitchen cabinet products.

The consistency of the finishes and the ease of maintenance will appeal to the most discerning kitchen cabinet customers.
